Achieving Your Dream

The First Time Homebuyer Down Payment and Closing Cost Assistance Program helps low to moderate income individuals and families achieve the **AMERICAN DREAM** of owning a home. It is often difficult for potential homeowners to come up with enough money for a down payment or closing costs on the house they want to purchase. With this program, the Housing Authority will match up to 50% of the total down payment/closing costs not to exceed \$5,000.

house of your
dreams!

The Process

After you found your home that you want to purchase contact the Resident Initiatives Department to schedule an appointment for Pre-Purchase Homeownership Counseling.

If qualified The Housing Authority will match the money you've saved to close on your new home up to \$5,000 or half of your costs. 1% of your contribution must be from you, but the rest could be a gift. Money must be available at the time of closing.
